

DOWNTOWN SUB - COMMITTEE

SEPTEMBER 22, 2005

The meeting started, with Dave Mueller making some opening comments. There was conversation regarding the agenda for the evening.

Mr. Mueller than presented his power point presentation on the Downtown. There was some discussion on the presentation regarding: strengths, weaknesses, opportunities and trends for the Downtown. There was also discussion on some implementation activities: solving the (perceived) parking problem, downtown infrastructure rehabilitation, development of ordinance and development of an identity.

Mr. Mueller finished the meeting with a discussion about the final report for the Steering Committee and presented a draft. An open forum followed on the future of the Downtown Committee.

The meeting adjourned and the next meeting was schedule for September 29, 2005 at 7:00 p.m. in Town Hall.
